Re: Letter of reference

Maria Susanna (Sumari) Gildenhuis (ID Number – 840922 0256 080; Passport Number – 430019339) has been an employee at Global Kids English School since 14 July 2008.

Sumari is a diligent and hard-working employee who sets an excellent example for her fellow workers. She is always prepared to help or lend a hand where needed. Her work and her work ethic are of the highest quality and she continuously strives to improve herself. She delivers more than what is expected, not because she has to but because she wants to.

She is a good role model for her students and they all love and respect her. She is kind friendly and has a gentle way about her when she teaches her students. However, she can also be firm and strict when needed. She is a woman of good moral standing and beliefs.

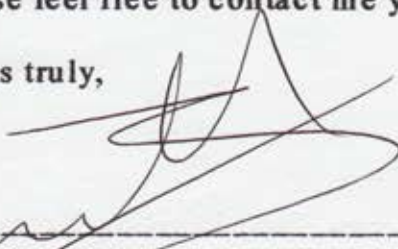

Her relationship with her co-workers is a healthy one. She is one of those people who everybody likes and they often go to her for help and advice.

Sumari also works extremely well with management. She understands that putting the school and its students first is a prerequisite for success. We have relied on her advice and support on various occasions and she has never let us down or disappointed us. She is certainly someone you can count on in any emergency.

We believe that Sumari will be an asset to any organization looking to associate itself with her or is fortunate enough to secure her services.

Please feel free to contact me you have any questions.

Yours truly,

Mr. T. Van Eck
