To whom it may concern,

The purpose of this letter is to recommend Sumari Gildenhuis for employment. Sumari worked for me as an Au Pair from July of 2010 to August of 2011 (thru the Au Pair in America Program). Sumari's primary responsibility was to supervise my four children and manage the household while my wife and I were at work. She played an integral roll in the day-to-day management of our extremely busy household.

We have four very active children and Sumari did an excellent job of working with us to coordinate the kid's schedules and to get them where they needed to be, when they needed to be there. She has excellent communication skills, is extremely organized and incredibly reliable. She talented in so many ways and was a pleasure to have as part of our family for the 13 months that she was with us.

Sumari will be a tremendous asset for whomever she works for has my highest recommendation. If you have any further questions with regard to her background or qualifications, please do not hesitate to contact me.

Sincerely,

Daniel J. Baker
