To Whom It May Concern

I hereby confirm that Sumari Gildenhuys, (I.D. 8409220256080), was employed by the "Be Sharp Beetles" Music Franchise in Cape Town during 2014 and completed a 6-month contract which started on the 1st of July, 2014 and was successfully completed on the 31st of December, 2014.

Sumari taught percussion and music movement lessons which incorporated dancing, storytelling and rhymes, to children between the ages of 2-6 years old, at 11 Private Kindergartens around Cape Town during her full-time working contract.

As Sumari maintained a hard working work ethic throughout her period of employment and also maintained positive relationships with her pupils, their parents and the 11 principals that she worked for, I gladly recommend her as she will be a valuable asset to your company.

I wish her all the best with her future endeavours!

Yours sincerely,

Monique Filander
