**TESTIMONIAL: SUMARI [MARIA SUSANNA] GILDENHUYS**

**To Whom It May Concern:**

Ms. Sumari Gildenhuis has been employed as a facilitator at Middle School from January 2012 to December 2013. She attended all lessons across the curriculum with the pupils she facilitated. She went above and beyond the call of duty by giving tutorials before school and doing homework with them after school. Ms. Gildenhuis also made comprehensive notes for all the subjects. Because one of her pupils was a visual learner, Ms. Gildenhuis made use of color coding and thinking skills maps. This proved to be very successful as the pupil improved his results during the two years she facilitated and taught him. Ms. Gildenhuis is a child centered educator who showed professionalism and absolute commitment during the two years at Middle School. She proved to be an asset to our Learning Support Department and was always willing to assist in any way possible. She is a reliable, trustworthy and dedicated employee. She sees education not as purely a job but as a calling. I can state with absolute confidence that Ms. Gildenhuis will be an asset to any educational institution and I wish her all the best in her future endeavors.
