

TO WHOM IT MAY CONCERN

Re. – MARIA SUSANNA GILDENHUYS - (Known as SUMARI GILDENHUYS):

I have known Sumari since she joined the Lighthouse Centre of Learning staff as a Senior Phase teacher for the period January 2008 to 30 June 2008. During the six months of her employment, she was responsible for Arts and Culture for both Intermediate - and Senior Phases and Afrikaans First Additional Language for the Senior Phase classes namely, grades 7, 8 and 9.

Inter - personal relationships:

She was friendly, sympathetic and helpful towards learners seeking assistance. This and her patience and understanding of learners makes her well suited to the learning situation in all phases. She also relates well with parents and fellow colleagues.

Responsibility:

Planning and related matters were dealt with in a highly professional manner. Daily preparation of lessons and presentations were carried out with diligence, care and competence. She really excelled in the field of Art.

General:

She is a reliable and dependable educator who is willing to go the extra mile beyond the call of duty. She is also fully bilingual in both Afrikaans and English.

I can assure you that Sumari Gildenhuis will be an asset to any school or similar institution in which she is employed.

I wish her success with any future ventures.
